

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

TRAINING SCHOOL FOR HORSES

Wanted—One hundred head of unbroken horses. I am located for the winter at the Dutch Henry feed yard, corner of Alta and Lillith streets, where I conduct a first-class training and sale stable. If you want to buy a horse I will take your order and select the best horse for you, or if you have a horse to sell I am well acquainted with the best buyers. I am well equipped to break and handle any horse from the finest blooded stock to the wildest and most desperate broncho. There is no horse but can be broke and be made to drive or work nicely if he be handled correctly. I have broke one hundred and twenty-three head in Pendleton, some of which had become desperadoes. I guarantee satisfaction in every case.

THE TIME WILL COME

When the Advice of This Pendleton Resident Will Help You.

Very few people are entirely free from backache. It does not take much to derange the kidneys. A little cold, a strain, stooping positions or hard work overtax those delicate organs and many aches and pains promptly follow. A Pendleton citizen tells you here how every kidney ail can be relieved and cured. Read about it:

H. A. Thompson, retired, who lives on Stonewall Jackson street, says: "My kidneys troubled me by spells for 10 years and at such times with a steady, dull aching across my back. I used large quantities of various kinds of medicine said to be good for it. Finally I got a box of Doan's Kidney Pills at the Brock & McComas Co. drug store and I found them to be just what I needed. They went right to the spot and not only relieved my backache, but cured it permanently. I will be only too pleased to tell other about the merits of this remedy."

CALL FOR ROUND-UP

LIVESTOCK ASSOCIATIONS TO MEET IN DENVER.

Three Big Associations Will Hold Five Days' Meeting From January 9 to 14—Reorganization of the National Association Will Take Place Owing to the Formation of the Independent Packing Company and the Death of Secretary Martin.

Officials calls have been issued for the meeting of the National Livestock Association, the National Woolgrowers' Association and the National Cattle Growers' Association, to take place in Denver on January 9-14, 1905. The woolgrowers will meet in Denver on January 9, the day preceding the meeting of the livestock association, and the cattle growers will meet on the forenoon of January 10, preceding the meeting of the national association, which will meet in the afternoon of that date.

This is the 40th annual convention of the National Woolgrowers' Association, and the attendance is expected to be very large. It is the eighth annual meeting of the National Livestock Association, and owing to the formation of the Independent Packing Company, and the death of Secretary Martin, a general reorganization of the association will take place at this meeting.

The local committee in Denver, in charge of the arrangements, has issued the following "round-up" notice: To All Livestock Outfits:

By order of the Denver Round-up District Local Committee on livestock conventions, I hereby extend to you a cordial invitation for yourself and your whole outfit to be present and participate in a grand general round-up of all livestock outfits to be held January 9-14, 1905, at the Denver Home ranch.

For this occasion all local maverick and stray laws will be suspended and each outfit attending will be entitled to everything they can get a rope on. The National Livestock, the National Woolgrowers' and the Interstate Cattle growers' outfits have already arranged for a full attendance, but no one is barred out on this occasion.

Mess wagons will run day and night and there will be things doing all the time. While work is the regular diet for the stockman, yet, as a rule, he is not adverse to a little pleasure for dessert. The home outfit has been given orders to have a full supply of the desert on tap. Ladies included in this invitation.

For those who are short on blankets and grub there will be ample mess arrangements at the local ranches. Sheep wagons will be given good locations close to good bedding grounds, and there will be a full supply of wranglers to look after the horse rodeo.

As it is desired that every outfit on the range be represented, your failure to be on hand may cost you a few calves or lambs, as the committee on this occasion expects each outfit to do its own branding or ear-marking. Snake bite medicine and wolf poison will be in adequate supply. Doses of blackleg vaccine and sheep dip may be had from the committee. All sheepshearing will be done by machinery, latest improved power plants being used. There will be plenty of hay on hand, and those preferring green grass will find all pastures wide open. No rings or saddle irons allowed on saddles.

As the general happiness of all is to be in charge of the committee representing the local outfits, we would appreciate it if you would drop a line to the secretary stating that you will be present and the number and names of those who will be with you. We want arrangements to be adequate. Don't fail to show up, however, no matter what the weather may be. Sincerely yours,

J. A. JOHNSTON, Foreman.
H. E. KENNEDY, Secretary.

Not a Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of rheumatism, neuralgia, liver and kidney troubles and general debility." This is what B. F. Bass of Fremont, N. C., writes. Only 50c at Tallman & Co's. druggists.

GENUINE BARGAINS ALL OVER THE HOUSE LEE TEUTSCH'S DEPT. STORE

YOUNG WIFEHOOD

Boston, Mass., 152 Shawmut Ave., Oct. 25, 1902.
After I had been married about four months I felt my health generally decline. I seemed to lose the light step and dragged wearily along instead. My appetite failed me and I lost health and strength. I was nervous and had shooting pains through my limbs and stomach while bearing down pains and constant headaches added to my misery. The menstrual flow became more and more profuse and I was unfit to attend to my daily duties. My husband called in three different physicians and I took enough medicine to kill or cure a dozen women, but it all had no effect on me whatever, until I took Wine of Cardui. In a few days I felt a change for the better, my general health improved and at the next time of my periods my flow was more natural and I was in less pain. Gradually I recovered my health and strength and am now in perfect health. I take an occasional dose of Wine of Cardui which keeps me well.
I am happy to give you this endorsement.

Betty Ricker
President, Back Bay Woman's Club.

Why don't you try for the same health Mrs. Ricker has? It is easy to secure if you take Wine of Cardui according to directions. Wine of Cardui strengthens weak and worn-out women of any age and assists the mother and housewife to bear her exacting duties. Wine of Cardui makes women fit for all the duties of womanhood.
It will relieve the pains of irregularity, cures falling of the womb, leucorrhoea, ovarian troubles, and has been known to remove what physicians considered dangerous tumors. Women who use Wine of Cardui do not suffer at the monthly periods. They do not suffer hysterical attacks, because Wine of Cardui gives them strong nerves freed from the irritation of female suffering.
A \$1.00 bottle of Wine of Cardui purchased from your druggist will keep you free from pain.
